### **Registrar Report**

Registration for spring 2014 season will be held Saturday, January 11, 2014 from 10 a.m. – 1 p.m. in the Carroll Township Building. Registrar's looking for volunteers to help. Desire to split shift in half.

Registration costs for spring 2014 will remain the same as costs for spring 2013.

It is hoped that uniform 'kits' will be available during registration for parents to have an idea of sizes for their children.

It is also hoped that a kicking area with radar gun can be set up for kids while their parents register them.

An email will be sent to parents of children playing developmental league explaining registration process.

Registration for fall 2014 will be held on Saturday, March 8, 2014 from 10 a.m. – 1 p.m. at the Carroll Township Building. Volunteers sought for this time as well.

Assessment date(s) will be set at January 2014 Board meeting.

There has been a delay in moving forward with plans to build two kick-back walls. Carroll Township has yet to approve the initial project.

It's been suggested to work with architectural engineer, John Beddia, with these projects as he's offered his services pro bono.

**Soccer Entrance Tunnel**

John R has been raising sponsorship funds to order an inflatable sports entrance tunnel to be built and delivered by Cogswell Creations.

Sponsors so far include Angelo's and Dairy Queen

The tunnel will be utilized at various times throughout the season and especially at the Shootout.

An email with photo(s) will go out to all club participants announcing this new venture.
